

# 2023–2024 REFERRAL REBATE POLICY

---

## PURPOSE

We appreciate the role our students play in referring new students to our program. The referral rebate program rewards returning MYS students for referring new students who successfully audition and enroll in MYS.

## POLICY

- For each new student referred to MYS by a returning student, the referring student will receive a \$25 rebate for each trimester during the first season in which the new student whom they referred is enrolled in MYS.
- The new student must list the referring student on their audition form when registering in order to qualify for the rebate.
- The new student must enroll in MYS and pay tuition for at least one trimester.
- The referral rebates will be issued as checks and will be mailed in the middle of each trimester.
- There is no maximum rebate amount; if a returning student refers multiple new students, the rebate amount (\$25) will be multiplied by the number of new referred students who are enrolled during that trimester.
- The referral rebate will only be issued to students who are currently enrolled in MYS.
